What's Your Food

John 4:27-34

- Vs 32 statement of fulfillment (Jesus had just done street evangelism)
- Why are we so full, so content, so satisfied with life ? (is it because we are being fed with the finer things this world has to offer)
- Better question; why are we so empty, so covetous, so dissatisfied? (is it because we lack the finer things of this world)
- Vs 33 Do others only think we are full because things are going right? (Is the only time you truly praise God and have a smile in your heart is when things are going well?)
- Vs 34 Jesus gives us the true reason of being full

1. *to do the will of Him who sent Me (are you a sent one - Is.6:8)*
2. *to finish His work (whose work are you concerned with finishing?) 2Tim 2:4/Phil 2:13,14-23 *Timothy's proven character came from the proper training of Paul his mentor*
3. *Paul often said, "follow me as I follow Christ* "
